Control No. 1475

This is to request approval of this proposed project as a Categorical Exclusion under the provisions of 23 CFR 771.117(d) and the Programmatic agreement as signed by MDOH and the FHWA on December 6, 1989. The form documenting qualification of this proposed project as a Programmatic Categorical Exclusion and a location map of same are attached.

This proposed project is located in Gallatin County and Park County on I-90, between MP 318.3 and MP 330.8. The scope of work on I-90 includes full width surface milling, milling and replacement of the driving lane, PMS overlay, and seal and cover. Ramps, crossroads, and frontage roads will receive a PMS overlay and seal and cover. An abandoned rest area will receive a seal and cover only. Safety work will include slope flattening at median U-turns and ditch blocks, and updating guardrail and bridge ends.
